Differences & Similarities

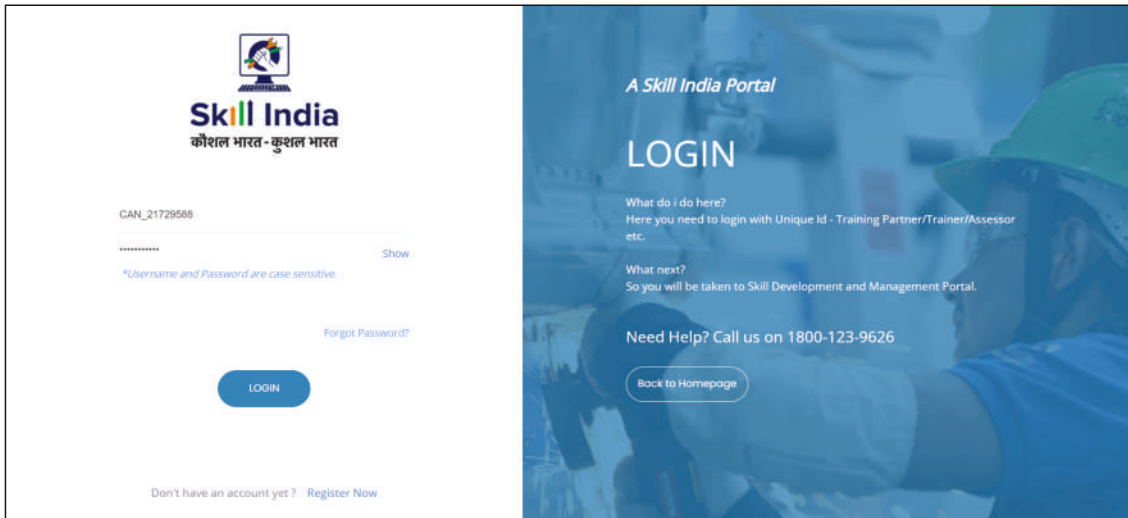

Scope or Value of NSDC Certificate

- The certificate is affiliated with the Ministry of skill development and entrepreneurship.
- The certificate is valid nationally and internationally .
- With this certificate candidate goes to a foreign on a work visa.
- Skill Loan Facility is available on certificate.
- With this certificate, the candidate gets a good job in a short time.
- For example A data entry operator job (if we go through the standard classic academic education model then we do a degree or diploma in computer that will take a time of more than 2 years but now a data entry operator course of only 6 months can provide a candidate that job.
- Now Government has launched skill education levels equivalent to academic education levels. For Example: In skill education, Government Launched Level 1 to Level 10 of NSQF levels which goes from certificate to Doctorate Programs.
- Candidate can take apprentice training (naps) after this certificate. Cost of the courses available in this segment is less than UGC/ AICTE - approved courses.
